

# THANK YOU FOR RESPONDING TO UTAH COUNTY'S URGENT NEEDS

## Thank you for your donation to United Way's COVID Community Response Fund.

With your help, United Way of Utah County supported the work of 21 programs and partner nonprofits. Over the past several months, donations to this fund provided flexible resources to organizations who responded to the urgent and long-term needs of individuals and families in our community. A few examples of how you donations supported education, social and emotional health and financial stability include:

### EDUCATION

Educational home-centered programs to assist parents and families

**41 Facebook Live parenting classes and book read-alouds** were held while sending out at-home activities and books

**75 Chromebooks and computers** were distributed to families to support online schoolwork

**"[The parenting classes] help me ground back to what is essential for my children and their education. It has highly advanced our home schooling during these Covid-19 Quarantine times."**

*- Parent participating in online classes*

### SOCIAL & EMOTIONAL HEALTH

Mental health treatment and prevention services and resources

**235 therapy sessions and visits** were held virtually

**Launched online Everyday Strong Resilience Training webinars** to parents, educators, and community leaders

**"Using telehealth has been, I feel, essential during this time of quarantine. If I had to go this many weeks without being able to meet with my therapist, it would have made things so much harder...Thank you for making sure the therapists have been available to us,"**

*- Therapy session client*

### FINANCIAL STABILITY

Basic needs like housing, utility, food, and healthcare assistance

**4,350+ households** found assistance programs to meet their basic needs through Utah 211

**3 health clinics** serving low-income patients received funding for PPE and other needed supplies

**"[With VITA] each year we file we get a little more ahead of our debts, a little more secure on our feet, and a little more at ease in our lives."**

*- Client who received free online tax preparation and tax refund help during the shutdown*

**Next Steps** | United Way and our community partners launched a new initiative to collect, fund, and distribute 1,500 computers to students in Utah County and rural communities.
