INDEPENDENT AUDITOR'S REPORT

Board of Trustees
United Way of Central and Southern Utah

Report on the Financial Statements

We have audited the accompanying financial statements of United Way of Central and Southern Utah, which comprise the statement of financial position as of June 30, 2019, the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of United Way of Central and Southern Utah as of June 30, 2019, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Report on Summarized Comparative Information

We have previously audited United Way of Central and Southern Utah's 2018 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 4, 2018. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2018 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated October 2, 2019 on our consideration of United Way of Central and Southern Utah's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way of Central and Southern Utah's internal control over financial reporting and compliance.

UNITED WAY OF CENTRAL AND SOUTHERN UTAH

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

The financial statements of United Way of Central and Southern Utah (United Way) have been prepared on the accrual basis of accounting. The significant accounting policies followed are described below to enhance the usefulness of the financial statements to the reader.

Organization

The primary objective of United Way is to increase the organized capacity of people to care for one another. This is done through campaigns for donations that are managed and distributed to nonprofit agencies affiliated with United Way.

Financial Statement Presentation

United Way reports information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of United Way’s management and board of trustees.

Net assets with donor restrictions – Net assets subject to stipulations imposed by donors and grantors.

Donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as contributions without donor restrictions.

Summarized Comparative Financial Information

The financial statements include certain prior-year summarized comparative information in total but not by function. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with United Way’s financial statements for the year ended June 30, 2018, from which the summarized information was derived.

Tax Status

United Way is incorporated exempt from federal income taxation under Section 501(c)(3) of the Internal Revenue Code (IRC), though it would be subject to tax on income unrelated to its exempt purposes (unless that income is otherwise excluded by the IRC). Contributions to United Way are tax deductible to donors under Section 170 of the IRC. United Way is not classified as a private foundation. Also, United Way is not subject to state income taxes.

UNITED WAY OF CENTRAL AND SOUTHERN UTAH
NOTES TO FINANCIAL STATEMENTS

Revenue Recognition

Contributions receivable are recorded as unrestricted support when the unconditional promise to give is made. All contributions receivable are due within one year. The allowance for uncollectible contributions is estimated based on historical collection experience. The allowance for uncollectible contributions was \$100,000 at June 30, 2019. Contributions receivable not received from the prior year's campaign are netted against designated contributions of the prior year's campaign as uncollectible contributions. Uncollectible contributions were \$92,669 for the year ended June 30, 2019.

Allocation of Expenses

The costs of providing program and other activities have been summarized on a functional basis in the statement of activities. Directly identifiable expenses are charged to program and other activities and indirect expenses are allocated to one or more program or supporting functions based on estimated time and effort or square footage used. Such allocations are determined by management on an equitable basis. Management and general expenses include those expenses that are not directly identifiable with any specific program, but provide overall support and direction of United Way.

Cash and Cash Equivalents

Cash and cash equivalents consist of monies in the form of cash in banks, certificates of deposit, and money market accounts.

Inventory

Inventory consists of prepaid store cards held to distributed to qualifying individuals or to United Way partner agencies for distribution.

Fixed Assets

Fixed assets are stated at cost or, if donated, at fair value as of the donation date. Fixed assets are depreciated using the straight-line method, with useful lives as follows:

| | |
|---------------------------|---------------|
| Furniture and equipment | 3 to 10 years |
| Building and improvements | 40 years |

Loan Fees

Loan fees (\$4,337) are amortized over the life of the related loan using the straight-line method. Accumulated amortization was \$4,337 at June 30, 2019.

Net Assets with Donor Restrictions

United Way receives donations that are specifically restricted by the donor. United Way had \$57,209 restricted by donors for specific purposes at June 30, 2019.

UNITED WAY OF CENTRAL AND SOUTHERN UTAH NOTES TO FINANCIAL STATEMENTS

New Accounting Pronouncement

On August 18, 2016, FASB issued Accounting Standards Update (ASU) 2016-14, Not-for-Profit Entities (Topic 958) – *Presentation of Financial Statements of Not-for-Profit Entities*. The ASU addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and lack of consistency in the type of information provided about expenses and investment return. United Way has followed the ASU's guidance in the presentation of these financial statements.

Accounting Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

United Way evaluated subsequent events through October 2, 2019, the date which the financial statements were available to be issued. Events occurring after that date have not been evaluated to determine whether a change in the financial statements would be required.

Independent Auditor's Report on Internal Control over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards*

Board of Trustees
United Way of Central and Southern Utah

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of United Way of Central and Southern Utah (a nonprofit organization), which comprise the statement of financial position as of June 30, 2019, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated October 2, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered United Way of Central and Southern Utah's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of United Way of Central and Southern Utah's internal control. Accordingly, we do not express an opinion on the effectiveness of United Way of Central and Southern Utah's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether United Way of Central and Southern Utah's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an

opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of United Way of Central and Southern Utah's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering United Way of Central and Southern Utah's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
