

CHECKLIST FOR COMPLETING COURT-APPOINTED COMMUNITY SERVICE

- Contact a **registered nonprofit or government organization** and arrange a time to do your service.
- Complete your required service hours before the date indicated by your judge.
- Have your nonprofit volunteer supervisor fill out all information on the Court-Appointed Community Service form including the TAX ID#. Please note that United Way of Utah County WILL NOT provide the TAX ID#. If you or the agency has any questions about this, please contact the court directly.
- Make a copy of the completed Court-Appointed Community Service Form for your own record. You may need proof of these hours in the future, please keep your own copy.
- Return the form to the appropriate courthouse. You alone are responsible for turning in this form. United Way of Utah County keeps no records of your service and makes no report to the court.

For your convenience, the United Way of Utah County Volunteer Center has compiled a list of organizations that welcome court-appointed community service. This is not a full listing—you may complete your hours at other 501(c)3 or government organizations that are not included on the list.

It is up to your judge to decide which organizations you are allowed to work with. Please contact your judge's clerk with any questions on what you are allowed to do as court-appointed service.

Due to COVID-19 opportunities may be limited and volunteers may be required to wear masks while volunteering. Agencies with a * next to their name are not currently accepting volunteers at this time.
